Liviu Marcu

Angela is extremely professional puts her soul and passion into the course. the course has a lot of content, great at explaining things .1000 points for the jokes in the course ..they should be more:) .. I really enjoyed the course and sorry I can't ask her to marry me...loooooo :) ?? . I hope she will do like an online bootcamp to go hard-core into coding and making people job-ready! great job !!

Danubio Rayn Fernando ...

This is an exceptional course for beginners. It is extremely well-curated and I would say that even pro-coders could get really good material from this course. Definitely a good use of time, a lot of
